

WCJFA STADIUM & CHEER GUIDELINES

WELCOME TO MT SI STADIUM – HOME OF THE WILDCATS

VISITING TEAM SEATING

The visitor section is located on the north side of the field. Go through the main gate, walk straight pass concession stand, and turn left. If raining, visiting teams may sit on the home side under cover (east side of the bleachers closest to the main entrance and concession stand).

VISITING TEAM CHEERLEADING

Visiting team cheerleaders may cheer on the visiting team sideline only (north side of the field). Visiting team cheerleaders are not permitted on the home side of the field unless it is raining. After the game, gather your belongings and throw away all trash.

RAINY DAY CHEERLEADING

If raining, visiting team cheerleaders may cheer on the home side, under cover in the bleachers, and may cheer on the east section closest to the main entrance and concession stand. Though under cover, the bleachers can still get wet and may be slippery. We advise no cheer jumps, stunts, or tumbling in the bleacher area.

FIELD ACCESS

Only coaches, officials, football players, cheerleaders, and athletic trainers are permitted on the field before, during, and after a game.

BANNERS AND SIGNS

Banners and signs are permitted in the stadium as long as they do not obstruct the view of guests or block stadium signage. Banners and signs must be event-related, in good taste and not commercial, political, or offensive in nature. All signs must be hand-held. Please do not attach signs to the fence surrounding the field or the railing on the bleachers.

FIELD MANAGER

During all games at Mt Si Stadium, WCJFA has a field manager onsite. Please direct any comments or questions to them.

EMERGENCY FIRST AID

An athletic trainer from Children's Hospital is typically onsite for all WCJFA home games. They are located on the home side of the field.
